- i. Apply the payments received from the Trustee on pre-confirmation arrearages only to such arrearages. For purposes of this Plan, the "pre-confirmation" arrears shall include all sums included in the allowed proof of claim plus any post-petition, pre-confirmation payments due under the underlying mortgage obligation not specified in the allowed proof of claim. Monthly ongoing mortgage payments shall be paid by the Trustee commencing with the later of the month of confirmation or the month in which a proof of claim itemizing the arrears is filed by such claimholder.
 - ii. Treat the mortgage obligation as current at confirmation such that future payments, if made pursuant to the plan, shall not be subject to late fees, penalties or other charges.

- iii. Not less than 60 days prior to the effective date of any change in monthly mortgage payments, notify the Trustee, the Debtor(s) and the attorney for the Debtor(s) in writing of any changes in the interest rate for any non-fixed rate or any adjustable rate mortgages and the effective date of any such adjustment or adjustments or any change in the property taxes and/or the property insurance premiums that would either increase or reduce the escrow portion, if any, of the monthly mortgage payments and the effective date of any such adjustment or adjustments.
 - iv. Notify the Trustee, the Debtor(s) and attorney for the Debtor(s), in writing, of any protective advances or other charges incurred by the claimholder, pursuant to the mortgage agreement, within 60 days of making such protective advance or other charges.
- (b) If the Trustee has maintained payments to the mortgage creditor in accordance with paragraph (4) (d) (iv) of the Confirmation Order, then no later than 60 days prior to the anticipated last payment under the Plan, the Trustee shall file an application with the Court requesting the Court find that the Trustee has complied with the Plan as to maintaining the mortgage payments and curing the pre-petition default. If the mortgage claimholder asserts that the mortgage obligation is not contractually current at the time of the Trustee's application, then the claimholder shall, within 20 days of receipt of the Trustee's application, file a Statement of Outstanding Obligations, clearly itemizing all outstanding obligations it contends that have not been satisfied as of the date of the statement with service upon the Trustee, the Debtor(s) and the Debtor's(s') attorney. No liability shall result from any nonwillful failure of the Trustee to file the application authorized herein.
- (c) Should the claimholder fail to file and serve a Statement of Outstanding Obligations within the required time, upon Discharge, the holder shall treat the mortgage as fully reinstated according to its original terms and fully current as of the date of the Trustee's notice. If the holder does serve a Statement of Outstanding Obligations within the required time, the Trustee or the Debtor may, within 30 days of the service of the statement, challenge the accuracy thereof by motion, filed with the Court, to be served upon the holder, the Trustee and the Debtor or may propose a modified plan to provide for payment of additional amounts the Debtor acknowledges or the Court determines are due. To the extent that amounts set forth on a timely filed Statement of Outstanding Obligations are not determined by the Court to be invalid or are not paid by the Debtor through a modified plan, the right of the holder to collect these amounts will be unaffected.
